Book File Details:

Review: It is rather hard to say in conventional terms why this is such a satisfying novel. It has two parts and a postscript. Each of the parts is divided into chapters of a few pages, which are in turn divided into paragraphs of narrative and description that range from a page and a half to a line or so and are separated by centered rules. All the paragraphs...

Description: Here, memory like a dripping faucet, slowly leaking events and considerations, one constantly feels like they are balancing on a teetering chair. This rigorous investigation of being leads one to consider the way a world revolves around a man like a vortex, the propensity of clipped phrases that alter, edit, build, revise, a constant modification of...
